Faculty Positions —MPH Program

The Department of Public Health at the Texas Tech University Health Sciences Center is seeking exceptional candidates for an Assistant/Associate/ Full Professor at the Abilene campus. We hope to hire two faculty with this search with focused interest in finding an individual in the area of Environmental/Occupational Health and an Epidemiologist and a Biostatistician.

The candidate must possess a Dr.PH or ScD, or a PhD in a Public Health discipline. An MD with an MPH is also acceptable. We encourage applications from diverse research areas; priority will be given to candidates with previous academic position(s) especially in programs or schools of public health.

Salary, academic rank and tenure are commensurate with experience. A comprehensive benefits package is included.
